- Please see the list of **goals** for the Fall Conferences. Look over the list and think about the goals that would be appropriate for your first grader. We will discuss them at the conference.

Lectura/Reading

- **Book orders are due October 20th** (I originally said the 17th, but forgot there is no school!) The more books you buy the more books I can buy for our classroom! You may order online, or send orders and checks to school with your child. Thanks!
- **Please make sure your child brings the book-in-a-bag to school EACH DAY!** It is difficult to complete activities without them!
- Thanks for **reading with your child every night!** It makes such a difference and the first graders are making excellent progress. Way to go! Keep up the great work! 😊

Matemáticas/Math

We are learning about:

- After break we will begin a new unit in math. We will learn about:
- Telling time with analog clocks.
- Solving simple math stories.

- Money and the value of pennies and nickels
- Counting to 50

Science

We are having a great time balancing archs, triangles, and pencils using objects like clothespins, wire, and craft sticks. Ask your child about our activities 😊 They are very enthusiastic about science so far!

Escritura/Writing

The first graders are beginning to see the importance of **writing words** to go along with their pictures. After the break we will be working on:

- spacing between words
- no capital letters in the middle of a word

Handwriting will begin after break too!
