Lectura/Reading

This week our Book of the Week was "La paloma y la luna." I am so impressed with how the first graders are progressing in reading! It is a lot of fun to see them improve their fluency and comprehension, as well as enjoying reading! Remember that when your child's book comes home with a smiley face, it means they have mastered that book (read it to me, along with the flashcards, without errors). After mastering a book, each 1st grader will come home with a (borrowed) leveled reader that should be returned to ISLA when he/she is finished reading. Your child should practice reading this book aloud each night!

Matemáticas/Math

This week we...

- counted nickels and pennies
- Were introduced to number stories, change-to-more and change-to-less.
- learned a couple of new games
- Opened the "class store."
- Wrote and solved number stories.
- completed the Unit 2 test (Fri.)

Next week we will explore...

- visual patterns
- even and odd number patterns
- number-grid patterns
- counting on the number line (continued)

Ask Your First Grader:

- What is a ley? (law)
- What is a símbolo? (symbol)
- What are some examples of symbols?
- What could be a symbol for our home? Our city? Our school?

THANK YOU!

A big thank you to Jen Jouppi for organizing a wonderful Halloween party for the class. We all had a great time!

Thank you to all the other families who stopped by to help out and participate in the festivities 😊
