## **Math**

### **This week:**

We learned about timelines, telling time by the quarter-hour, and practiced addition.

### **Next week:**

- will have our "progress check" for unit 4.
- learn place values (ones and tens)
- learn the symbols for "greater" and "less than"

## **FYI...**

- **Feb. 13** - 100<sup>th</sup> Day of School and Valentine's Day party
- **Feb. 16** - No School (President's Day)
- **Feb. 17** - Late Start and McDonald's Night
- **Mar. 6** - Family Night #3 and Scholastic Book Fair

## **Reading/Writing**

- We are studying the verb "hacer" (to make or to do). Then we wrote some sentences using some of the verbs we've learned.
- We are writing a lot of sentences using our best handwriting, and putting capital letters and periods where they should be! Great work kids!

## **IB/PYP**

### **This week...**

-we wrapped up our unit on Families. Quinn and Olivia came up with a great idea to culminate our unit. They got up in front of the class and told them that we should help families less fortunate than our own. The kids got together and we are still working on organizing this project. More to come! Great job 1<sup>st</sup> graders☺

### **Up next...**

-A unit on technology, an inquiry in changes through place and time.

## **Thank You!**

- Thank you to April Corona for coming in and helping with our party on Friday!
- Thank you to Rita Miller and Sonia Miller-Van Oort for volunteering for the Junior Achievement program in our classroom! They will be teaching 5- 30 minute lessons to the 1<sup>st</sup> grade starting soon!

## **Ask a First Grader:**

- What did you learn about families?
- What is the project your class is working on to help families?
- What did you do this week to be principled (integro/a)?
- What did you do this week to be open-minded?

## **Important!**

I have recently been informed that there are some kids in our class who are feeling left out and sad because they don't have friends at school. At school I really try to instill the importance of being kind to everyone.

Please talk to your child about what he or she can do to include all kids in our class and make them feel welcome and loved. One of the IB profiles is "caring" (solidarios) and I would like to see each student demonstrating this *every day* with *everyone*.

Thank you for your support!
