THANK YOU

I enjoyed the student -
led conferences that
were held in the last
two weeks. Your sug-
gestions and com-
ments will be taken
into consideration. Do
not hesitate to contact
me at any time via
email or phone.

5th - 6th Grade

Weekly Newsletter

Feb. 19th to Feb 27th

IB Unit: Functions of Government
Functions of government impact
the way people live around the
world.

In this week we
have been reading
the Constitution of
the United States
of America

- Students were required to write a summary on the book.
 - We are learning about the three branches of government
- Ask your child about:**
- The Virginia Plan
 - The branches of the government
 - Functions of each branch.

- The class has divided into several groups. Each group will present the article or sections of the constitution that were assigned on Wednesday
- We will finish the unit writing a constitution for the class.
-

Vocabulary:

These words come from the book "Shhh, We're writing the Constitution"

1. Constitution
2. Federal
3. National
4. Senate
5. Congress
6. continental

Science:

Students continue learning about different types of energy and its uses .

Mathematics:

5th graders are about to finish Unit 4 on division
6th graders are also about to finish unit 4 on fractions.

Students learn about energy and magnetism in Science class

Mathematics:

5th graders are about to finish Unit 4 on division
6th graders are also about to finish unit 4 on fractions

Language Arts:

Students are learning how to write a summary. This is an important skill that they need to master in order to be successful in Middle and High school. This is one of the language skills that they are supposed to master in grades 5th and 6th

Homework:

Starting this week, students will receive homework daily. Every time a homework is assigned students will make note of it on their assignment notebook. They will also write the due date for each assignment. Please check the assignment notebook daily. I will also include notes and comments for you to sign.
