## Math

This week we:

- Continued reviewing time, money and geometrical shapes.

Next week we will:

- Review place value and thermometers
- Complete the Unit 10 Assessment (1<sup>st</sup> grade year review)

## Ask your 1<sup>st</sup> grader

- What does "responsibility" mean?
- Do you have responsibilities?
- What are your responsibilities at home? At school? In the world?

## NEXT WEEK

We are trying something new at lunch time. Next week all grades will be having recess before lunch. Our hope is that this will help with management in the lunchroom. Thank you for your understanding☺

Last Day of  
School  
Countdown:

10  
días

## IB/PYP

We had great time learning about insects last Friday at Westwood Nature Center! We able to answer many of the questions the teachers had, and got a lot of our own questions answered.

This week cleaned up our insect materials and began a new unit. Although we will not be formally studying insects in class, we can still encourage the kids to explore their curiosities☺

On Friday, May 21<sup>st</sup>, a Rochester Police Officer will be coming to speak to both classes about responsibilities. This correlates with our new unit, "Helping Hands."

## Reading

In Srta. Bera's class, *no more books of the week or homework packets*. She may send home different assignments, still on Fridays☺
