Field Trip!

On Thursday, February 26th, the 2nd, 3rd, 4th, and 5th graders will be going on a field trip to the Science Museum! It should be a really fun and informative day! The cost for this field trip is \$11.75. Please send that amount to school with your child at some point in the next couple of weeks. It can be in cash, or a check written to ISLA. We will be going to see a movie in the Omni Theatre about the Grand Canyon. If you drive your child to school, please make sure they arrive **NO LATER THAN 8:50 am!** We will need to leave as soon as possible that morning. I will need 3 chaperones, so please let me know if you would like to join us. Chaperones get free access to the museum. We're looking forward to that fun day!

Conferences:

Thank you all for working with your child during student led conferences. This has been a great opportunity for your child to show you some of his/her work. I'm looking forward to meeting with each of you to discuss your child's progress.

Science:

During our unit on Solids, Liquids, and Gases we have been classifying solids into different categories based on their attributes. This has been an opportunity for students to learn some new vocabulary in Spanish to describe the solids they have been working with.

Valentine's Day & 100th Day:

We will be having out Valentine's Day party tomorrow, along with the 100th day celebration. Since it is such a busy day, we will not be doing a big 100th day celebration like last year, but may do some classroom activities and having the students dressed up will help with the celebration. Our party begins at 2:00, so please join us!

Coming Up:

- February 12th, 17th – Student-Led Conferences
- February 13th – Sibling Application Deadline
- February 16th – Presidents' Day – No School
- February 17th – Late Start

- **February 17th – McDonalds Night**
