**Snow Pants:**

Please check the snow pants your child has brought home to make sure that they have brought the right ones home. Some snow pants have gone missing from our coat rack and hopefully they were just mistakenly brought home by another student. Thanks!

**Reading:**

Sr. Ruiz has been working with some groups, while other groups have been reading with me this week. The students have been reading some longer books in Spanish and you should see these books coming home for more practice. It has been great to see how much the students have been improving in reading!

**Video Conference with Students in Mexico:**

Our class will be having a video conference with a class in Mexico next week! That class will do a presentation from an IB unit they have done and then our class will be able to “chat” with them in a secure online environment. It should be really interesting. We’re excited to make these new friends in another country!

**ISLA Gives Back Fund - Reminder:**

Please remember that a donation fund is set up for the ISLA family who lost their home to a fire this winter break. We know that this is a hard economic time for many families, but even a small donation of \$5 would help this family know that we care for them and we want to help them. Plus, if each family donates just a little, it will add up! You can send a check to school with your child written to: ISLA Gives Back Fund, or donate directly at any US Bank Location. You can also mail it directly to the US Bank in Hopkins at this address:

US Bank – Hopkins Office  
ISLA Gives Back Fund  
16 Ninth Ave. N.  
Hopkins, MN 55343

**Coming Up:**

- February 9<sup>th</sup> – PTO Meeting
- February 10th, 12th, 17th – Student-Led Conferences
- February 16th – Presidents’ Day
