INTERNATIONAL SPANISH LANGUAGE ACADEMY

Dear families,

Thank you so much for all your wonderful support! Mis Amigos and our Kindergarten classes were able to collect more than \$5,000 to help the Chilean earthquake relief fund last Friday. Mis Amigos and Kindergarten teachers were overwhelmed by all the generosity of families and friends throughout the whole event. The kindergarteners that were able to attend the function took some time to welcome the people at the door and even sang our IB song to the cameras from a TV channel :)

Special thanks to Karen Terhaar, Ximena Rayo, Emily Smith and all the teachers for the wonderful support! Mrs. Firth and Mrs. Diedrich for organizing the donations (doing all the hard work! :) and being there most of the night selling cards and making sure all the desserts were being sold :) The cookies, pies, cupcakes and cakes were very popular with all the guests. I can't believe our classes were able to gather so many delicious treats in such a short time. We are truly blessed by an amazing community of families that have a great heart and are always willing to participate and help for a good cause. We thank you on behalf of the Chilean community in Minnesota, ISLA and Mis Amigos. We could not have done it without your help!
