

Noticias de la clase de Kinder PM

De vuelta a clases :) Back to school :)

Dear parents,

I hope everyone had a fantastic spring break! I truly missed the kids and I can't wait to see them again Monday afternoon!

The weather is beautiful in Minnesota and the children will be enjoying some time playing outside. Please still make sure your student has lots of exercise in the morning before coming to Kindergarten PM :)

With the perfect weather also comes the change in wardrobe :) **Please make sure to leave : "Pantalones de nieve" y "botas" at home :) We are not certain that the warm temperatures will remain always the same, so please still make sure your child has a light coat to wear at school .**

A parent asked me a great question, if it's ok for his/her daughter to wear leggings with her skirts and I said that it's perfectly ok as long as the leggings are blue, or white, the colors of our uniform. We will continue working on self management skills like organization, time management, positive behavior through the use of our IB values, cooperation and being respectful towards everyone. I am so proud of all the things the children have accomplished this year. They are able to sit down during group time, to participate and raise their hands when they have a question. They are caring and show true empathy towards everyone in the classroom. The most important thing is that we see

them smile and laugh a lot during group and playtime :)

We will be working on a project that will require your help :) The children will continue working on the UNIT : ¿Como nos orgullecemos a traves de nuestro trabajo? (how do we become proud of our work?)

The Kindergarteners will be bringing home a sheet on Friday, April 9th. Please help your student to fill it over the weekend and be ready to present it to the rest of the class as a show and tell event. I will be sending a note home on Thursday with all the details on this fun activity and also the schedule of each one of the presentations. I can't wait to see who the children will chose to dedicate the presentation to.

Have a great week!

Sra. Shrestha

ISLA

Volume 1, Issue 18

April 2nd, 2010

Important Dates to remember...

Apr. 5- School resumes

Apr. 6- ISLA Board meeting, 6:30 pm

May 8th— Special all school event! I hope to see all the Kindergarten parents there :)
