Queridas familias

This past week was a very busy one! We had library on Monday and worked very hard to continue writing our daily letters. The children are writing each day about special things we are doing in the classroom in their inquiry journals. This week we also celebrated “Don Quijote de la Mancha”, “Earth day”, “Book day”, “Spanish language day” and celebrated the IB awards. Congratulations to Linnea, Katelyn, Tait, Everett and Pablo! They were the recipients of the IB awards.

On Spanish Language Day the classrooms presented a poster made by their own students. Kindergarten PM also presented a poster based on our classroom values and the importance of caring for the earth and its animals. I was so proud to see them presenting in front of the whole ISLA community! All the children did a beautiful job!

The presentations on “our special person” continues through out the month of April and May. This week we had the following presenters: Sophie, Aaron, Tait and Calvin. Unfortunately Friday’s event took a little longer and we were not able to see Emma’s special presentation. I apologized to her and told her that she will be able to present on Monday with Benjamin :) Sta. Giovanna and I are looking forward to see all the presentations. The group for this week did an amazing job! Sophie presented her dad, Aaron his uncle, Tait her mom and Calvin his mom :) They were very proud sharing their special person’s attributes and professions!

To get ready for the upcoming events I have a favor to ask everyone. Would someone have a costume of a cow, chick, rooster, or pig that you could let me borrow? It needs to be a Kindergarten size. Please let me know ASAP if you could let us use it. I also need a parent who loves to draw to help me out with an hour project that needs to be done by the 20th of May. If you would have a large bus (toy, tent etc..) that we can also borrow, it would be greatly appreciated!! :)

Tabla Curricular basada en B.I

Mathematics:

Two and three dimensional shapes.

Time

Language:

Book: El libro de las formas, las profesiones,

Shared reading, echo reading, filling the word, guided reading, TPRStory telling and inquiry journal. The book bags need to be returned by Fridays. The children will be receiving a book each Wednesday. Please encourage your student to read the book to you at least once.

There is a list for each book. The children will be required to write their name and last name once they have completed reading their book for the week.

Science: Weather, temperature, seasons, animals.

IB UNIT: How do we take care of the animals around the world?

PLEASE HELP ME OUT :)

- Please make sure your child is completing his/her homework at home. I will be picking up the final packages already completed by this coming Friday.
- Also please remember to bring all the library books back to school by Mondays. The children will no longer be allowed to borrow a book from the library if they are missing one.
