Lectura / Reading ~

- As February's Health theme is Friendship, we read a book called "Soy Respetuoso" (I am Respectful). We learned about what it means to be respectful to others and use good manners, and students got to play Charades to act out what this looks like.
- We started practicing reading Sight Words (High Frequency Words) before stories this week, which will help us when we start reading easy-reader books this Spring. I will be sending home a packet of these words to practice reading at home.

Recuerdan / Remember ~

- Just a friendly reminder, please make sure to follow ISLA dress codes when choosing appropriate clothes for your kindergartner to wear. If your student has a tendency to get hot and want to shed layers, have them wear short sleeves with ISLA colors and a sweater, sweatshirt or fleece jacket, or simply a plain white T-shirt under a long-sleeved shirt if they wish to shed the long-sleeved shirt. There have been some parents expressing concern that their child sees other students wearing non-ISLA colors as an undergarment after outergarments come off as they get hot. So, as a courtesy and to be fair to others, please make sure ISLA colors are always worn. Gracias! 😊

Happy
100
Days!

Centésimo Día / 100th Day

- Friday the 13th was El Centésimo Día! (100th Day). Students got to color a "Cien, Cien, Cien Muy Bien" booklet with the sub.
- Our celebration of the 100th day brought us lots of fun costumes and decorations on students' clothes, which we shared during math time Tuesday. 😊

Matemáticas / Math

- During our Friendship Party, we made a Heart Graph with the different colors of hearts we got from Sr. Swenson. The graph showed us how we can compare a certain quantity of something to another in a graphic display.
- We continue to count by fives and tens in our morning meetings when we count how many days we've been in school.
