

Attribute of the learner profile is balance

Attitude is cooperation

Dear Fourth Grade Families,

1. Community Service Project

We will be making books written in Spanish and English for a preschool that is teaching English to native Spanish speakers. The books are in both languages so the preschoolers can take them home to practice English. If you have any fabric at home that is available, it would be great if you could donate it to the class for the books. Thank you!

2. Science – Measurement

In our new science unit we are focusing on measuring mass, length, liquids and degrees. We will be focusing on the metric system using centimeters, meters and Celsius. Throughout this unit we will be concentrating on the scientific thinking process of conducting investigations and building explanations based on our observations.

3. New IB Unit – How We Organize Ourselves – Inquiry Question of the Week

Our inquiry question of the week is; What is money? We came up with a list that included: “Shopping.” “It’s something that we use to buy things.” “Insurance!” “Has presidents on it.” “It’s kind of like trading; money for gum or something.” “Money is paper.” *What does it mean to you?*

4. La exhibición de caras mezcladas

Be sure to check out our exhibition of mixed up faces that line the wall outside of the office. One of the students came up with this idea and the class made all the decisions on how we should complete the project. Once again, the integrity of this class is outstanding. They are so proud of their new creations.

5. La Reina y El Rey

The new royalty of the week is Sophia Koritz as the queen and Pierce Hoagland as the king. Congratulations!

6. Up Coming Events

Jan. 14th New Family Info Meeting. Jan. 18th is Martin Luther King Jr. Day –NO SCHOOL. Jan. 19th is Late Start and McDonald’s night 4:00-7:00. Jan. 26th is PTO meeting at 7:00pm.

“Nothing and no one is better than you.” Sophia Koritz
