

PARENT'S LETTER FEBRUARY 26TH 2008 ISSUE 22
DEAR FOURTH AND FIFTH GRADE PARENTS:

The attributes of the IB Profile are Open Minded & Principled
The attitudes of this month are Tolerance, Appreciation & Respect

1. La Reina de la Semana

The new royalty of the week has been awarded to Irrissa Semler. Irrissa should be proud of accomplishments this week. She has worked hard on speaking only Spanish, doing her classroom job and making great connections in math. ¡Felicidades Irrissa!

2. Science Museum

We had a great time at the Science Museum yesterday. We had to leave a little early due to the weather but it was still an excellent learning opportunity for the students. Here is the website of *Grand Canyon Adventure River at Risk* that we saw at the Omnitheater <http://www.smm.org/grandcanyon/>. There are some science activities available to do. A special thanks to Sra. & Sr. Semler and Sr. Douglass for coming to the museum with us.

3. Art – Old Wool Sweaters

We are still collecting wool sweaters so please spread the word to others who may have some.

4. Website for Leveled Books

Here is a website that you may use to look up the level of the book your child is reading.
<http://www.arbookfind.com/UserType.aspx>

5. Spanish ¡UY!

Our class has been receiving less and less UYs every week. A student gets an UY when he/she speaks in English during Spanish time. The class has made a big improvement in their awareness and efforts in strictly speaking Spanish. Two days in a row they received zero UYs!

6. Dry Erase Markers

Thank you for donating the markers!!!

7. Up Coming Events

March 6th is PTO Family Night. March 9th is PTO meeting. March 10th is Late Start. March 17th is McDonald's Night. March 25th report cards go home. March 26th -27th there is no school.

Con cariño,

Sra. Boeser

I am not a teacher but an awakener. - **Robert Frost**
