1. La Reina de la Semana

The new royalty of the week has been awarded to Robyn Siebers. Robyn is our class organizer. She has a natural skill of keeping herself and others on task and organized. This is just one of her many skills that make her an excellent student and friend. Keep up the good work! ¡Felicidades Robyn!

There is still time to sign up for ISLA Spanish Summer Camp. If you have any questions please let me know.

5. Thank You - Fiesta de Primavera

I just wanted to say thank you for coming to the Fiesta de Primavera. It was such a great turn out! It was also nice to spend time with parents outside of the school day.
