IB Status:

We are now officially a candidate school for International Baccalaureate! This year, a representative from the IB organization will be helping us through the process of becoming authorized.

Curriculum Night and Scholastic Book Fair:

Monday, September 22, from 6:30-7:30 is Curriculum Night. This is a great way to learn more about what your child does in his/her new grade. There will be 2 sessions (6:30-6:55 and 7:00-7:25), so if you have more than one child at ISLA you will be able to attend each class. There will also be a Scholastic Book Fair that night. I look forward to seeing you all!

Reading:

The students read Camaleón confundido (notice the only the first word in a Spanish title is capitalized) in class this week. We discussed some new vocabulary and practiced reading for fluency. Hopefully you were able to hear some of this story from your child earlier in the week. Many students have read this story in English (The Mixed-up Chameleon) and they enjoyed reading the story in Spanish as well. We are also breaking into different reading groups to work on Reading A-Z books.

Hopkins Library Event:

The Hopkins Library is having a "Celebrate Hispanic Heritage Month" event on Saturday, September 27 at 2 pm. There will be a dance group performing authentic Aztec ceremonial dance and explaining its significance in English and Spanish. Everyone is welcome!
