open mindedness or
integros/principled will
be Anika, Micah, Blake,
Riley and Ben!

We are collecting refills
for liquid soap, so the
students who cannot
reach the soap
dispensers. Caps from
pop bottles without
writing are great to
collect for class, we'll
use them for math and
reading.

Sonidos Iniciales/Initial Sounds

It's been great to see students showing off their skills and knowledge with their parent(s). Our syllable work is evident as students are able to read most or all of the posters to their families. We continue reading and illustrating the story, *Mamá, Papá y Ana* but it is taking longer than I'd previously thought.

Matemáticas/Mathematics

Cien/one hundred days in school have finally arrived! In celebration we will play number bingo, count popcorn kernels to make our snack, decorate glasses in the shape of 100 and complete a list of tasks in 100. It will be a lot of fun to celebrate this day for the first ever time with your students.

Cuento/Story

We finished just yesterday, the story of *Lily y el bolso de plástico morado/Lily and the purple plastic purse*. We were most of the way through the story when I suggested we finish the next day. There was a resounding "no," so we were a bit late leaving the room together. We'll use this book to talk about principled/integros.

Thank you to all of those who helped out with the fiesta of 100 Days! Today will be special because of all of your help, in class and at home!
