This week Samantha,
Micah and Blake will share
their experiences with the
profile of the month.

December's profile is
caring/solidarios.

Sonidos Iniciales/Initial Sounds

This week we honed the skills of letter/sound association with the students. They were prompted with just the letter and not the usual accompanying picture and were asked to say the sound. This was helpful for everyone and we will expand this practice from the vowels to the other sounds in Spanish.

Matemáticas/Mathematics

We started work this week on the tricky teens something that each student at this age tends to struggle with, like remembering after fifteen/quince comes dieciséis/sixteen. It think it helped that we practiced this in a very kinesthetic way by having the students become the numbers and arrange themselves in the correct order, playing tricky teen twister, etc.

Escribir/Printing

I got a chance to go through most all of the Libros de Escribir/Writing Books this week and give the students feedback on their work. If something was missing, I circled it with highlighter and completed work got a 😊. We practiced writing 'l' and 't' this week.

*A huge thanks to Tim
Johnson for joining us last
Friday and sharing his
musical talents and
instruments with the class.*

*Another thanks to all of the
families who purchased
books at the Book Fair!*
