

UPCOMING EVENTS:

Wednesday, Feb 4th

Las ranas de la semana/the frogs of the next week are Ben and Giovanni! We had fun listening to Riley and Samantha, Las ranas de la semana this week.

Thursday, Feb 5th

Sharing this week about mentalidad abierta/open mindedness or integros/principled will be Jonathan, Louisa, and Samantha! For more information see the reverse to assist your student.

6:15pm Join us in the ISLA Gym to learn more about IB (International Baccalaureate) and how it affects your student and our school! Send families of students entering kindergarten to the Kindergarten Information Night at 7pm. We are unable to provide childcare.

Sonidos Iniciales/Initial Sounds

I asked the students to act out the accompanying picture with the sound for a few seconds before we all said the sound and made the symbol together. The students really got into becoming oso, avion, and estrella. They got a little stumped with iman but soon were having such good fun, they forgot about our rules and so the game had to end. We'll try it again but with different guidelines.

Matemáticas/Mathematics

As a part of our family theme, we worked with our EA, Senorita Carmen to make a bar graph of the people that live with us. It got to be a pretty long bar graph! We keep counting off the days in school hoping to reach the 100th day for our celebration that coincides this year with our Spring Friends Fiesta. Today we will mark day 88.

Cuento/Story

Mariana, our TA from Argentina read the story *Familias en nuestro comunidad global/Families in our global community* for the students yesterday. After we had a short discussion about what each student does with their family that was similar or different than the book.

Thank you to each family that collected items to be used as art projects. With so many generous donations I am finding it hard to find a place to store them, so use your collected items in fun and creative ways at home!
