Curriculum Night is Tonight!

We will see parents at 6:30 pm in the sanctuary. Teachers will outline curriculum, homework and class routines.

Is your child especially tired these days?

We see students of all ages needing a number of weeks to adjust to the new school year. This is especially evident in kindergarten and first grade. Immersion students need lot of sleep in September and October. Cutting down on after school activities, fewer evening obligations, earlier bedtimes are all ways you can help your child adjust to a full-day schedule in a second language. If this extends beyond October, contact your child's teacher.

Responsibilities of the Director and Assistant Director

Ximena Rayo will be working not quite full-time this year. She is in charge of a number of areas that may affect you or your child. Sra. Rayo oversees lunch and recess, scheduling, student discipline, technology, assessment, extra-curricular activities, summer camp, TA Committee and she is the ISLA liaison with Faith Church. If you have questions or concerns in any of these areas, please contact Ximena Rayo.

Sra. Terhaar is busy working on numerous committees including the facility, marketing, finance, authorizer, HR and Executive committees. She also oversees all curriculum and instruction, grant writing, reporting, compliance, staffing and is an ex-officio member of the Board. General operation of the school is her responsibility, and questions to that end can be directed to her.

Late Start

On Tuesday, September 21st, school will start 2 hours late. PM kindergarten will attend at regular time. Expect AM bus pick up to happen 2 hours after normal pick up time. Students should not be dropped off at school before 10:45 am.
